TABITA SURGICAL INSTRUMENTS COMPANY

We present this Catalogue with a hope that it would be an excellent guide to all our promoters and medical professionals the world over.

We endeavor to present in this Catalogue a modern range of instruments to the trade and medical profession in order to achieve the highest results.

We are located in the center of the city which is known the world over for this profession having at our disposal expert craftsmen whose skilled technique and traditional approach towards modern surgery makes all the possibilities to acclaim us quality instruments producers.

We pledge to serve more in the years ahead to our quality minded promoters with much more higher standard and correct design of the instruments.

We also welcome your enquiries for the Instruments not listed in this Catalogue. It is our earnest desire to maintain our present prices but due to the present universal economic condition which are beyond our control, all prices are subject to change without any notice.
